Early Feedback for Sections (Discussion, Lab, Studio)

This survey gives you the chance to give your section leader and the course staff feedback on how well section (whether discussion, lab, studio, or other format) is helping your learning in the course, so they can decide on any changes that will improve learning. You may comment on the structure or content of the section, on the section leader's teaching, on your contribution to section, or on any other aspect that bears on your learning. Please be constructive and courteous in your responses.

1. Section leader's name:

2. Section Day:

3. Section Time:

4. With regard to your learning, what is most effective about section?

5. What is least effective about section?

6. What suggestions do you have regarding section for improving your learning?

7. Please rate the effectiveness of your section leader as a teacher
   (1 = less effective; 3 = moderately effective; 5 = most effective)
   1  2  3  4  5

8. Please rate the amount of effort you are putting into preparing for and participating in section, relative
to what you would consider appropriate for this course's material.
(1 = much less effort than appropriate; 3 = roughly an appropriate amount of effort; 5 = much too much effort)

9. Please rate the quality of the feedback you receive on your contributions in section, on graded work etc
(1 = feedback is not useful; 3 = moderately useful; 5 = very useful)

10. Comment on the above response (re: feedback), if needed.

11. Please rate the overall effectiveness of section for fostering your learning
(1 = least effective; 3 = moderately effective; 5 = most effective)

12. Is the section (lab, studio, discussion) etc. well integrated with the rest of the course? Please comment below.
