- Week 4 (Sept 26): Microteaching
- **Week 5 (Oct 3): Soliciting Feedback + Roundtable with UPFs**
- **Week 7 (Oct 17): Creative Assignments (a visit to the Learning Lab)**
- **Week 9 (Oct 31): Balancing Teaching and Research + Diversity Statement**
- **Week 11 (Nov 14): Generative AI**
- Week 13 (Nov 28): Designing a Syllabus

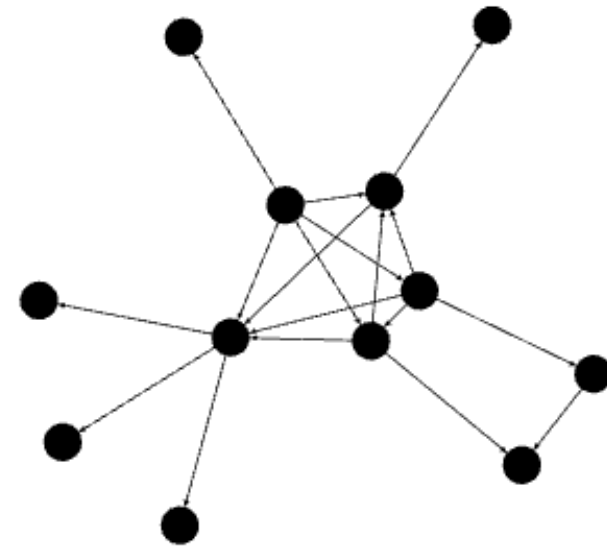

# Learning Lab Visit

# Generative AI Workshop

Visualizing the poetic line “two dead trees with a jade belt hanging in their branches and on the ground beneath them a pile of snow in which a golden hairpin lay half-buried”

Visualizing the social network within the classroom

# Suggestions for the Future

More integrated demonstration of the interactive tools

Poll everywhere, perusal, etc.

More communication with guest speakers to tailor the workshop content

More collaboration with professional development workshops
